ABOUT ME

I have over 10 years of experience in the IT industry, working in roles such as IT Manager, System Administrator, and IT Supervisor.
Additionally, I have over 2 years of experience working in an international school as an IT Manager for the Myanmar region.
I find great satisfaction in tackling challenges and achieving excellent results, which is why I consider myself fortunate to be part of the Information Technology industry.
When I'm not working, I enjoy using my skills and passion to support various organizations and projects.
